

Clinical Group Supervision

Now accepting new
pre-licensure therapists

Overview:

Are you working towards licensure as a Clinical Social Worker, Marriage and Family Therapist, or Professional Counselor? Join group supervision with Meghan Morley, LPC, a therapist with over 10 years of experience, 6 years as a supervisor and an adjunct professor. Meghan's person-centered approach integrates CBT, positive psychotherapy, neuropsychotherapy and existential psychotherapy, offering a supportive space to enhance your skills and meet licensure requirements.
